## **Pavement Repairs at Glen Ellyn Intersection Saturday**

**CHICAGO** - The Illinois Department of Transportation (IDOT) announced that pavement repairs at the intersection of westbound North Avenue (Illinois 64) and Glen Ellyn Road in Glen Ellyn will take place, weather permitting, on Saturday, Sept. 20.

In order to perform this work safely, it is necessary to close the left lane and center lane of westbound North Avenue, the center lane and right lane of southbound Glen Ellyn Road, the inside left-turn lane of northbound Glen Ellyn Road and the inside left-turn lane of eastbound North Avenue. Traffic will have one left-turn lane to use on both northbound Glen Ellyn Road and eastbound North Avenue, as well as one right-turn lane on southbound Glen Ellyn Road. The closures will be in place from 5 a.m. to 7 p.m. or until work is complete.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
